A. 5681 2

(d) "Lawn care device" shall mean any device powered mechanically, which is intended to be used or is actually used for the mowing of grass, the cutting or chipping of trees, tree roots or tree branches, or the clearing of leaves or other vegetation from lawns, sidewalks, public streets or public highways and shall include, but not be limited to, such devices as lawn mowers and lawn mower attachments, lawn edgers and trimmers, hedge trimmers, leaf blowers, leaf vacuums, mulchers, chippers, chainsaws, and pole saws, as well as batteries, chargers, and power management equipment for such devices.

- (e) "Local authority" shall have the same meaning as in subdivision two of section two of this chapter.
- (f) "State agency" shall mean all state departments, boards, commissions, offices or institutions.
- (g) "State authority" shall have the same meaning as in subdivision one of section two of this chapter.
- 3. The authority shall create a program, within existing appropriations, to award rebates at the point of sale to institutional or commercial applicants for eligible lawn care devices in amounts determined by the authority.
- 4. The authority shall determine the rebate eligibility of each applicant in accordance with the requirements of this section and rules promulgated by the authority. The total amount of rebates allocated to certified applicants in each fiscal year shall not exceed the amount of funds available for the program in such fiscal year. Rebates shall be allocated to applicants on a first-come, first-served basis, determined by the date the application is received, until all appropriated funds for the fiscal year are expended or the program ends, whichever comes first. The authority shall have authority to reduce eligible lawn care device rebate amounts if the authority determines that funds would otherwise be exhausted prior to the end of a fiscal year.
- 5. The authority shall promulgate rules and regulations to implement and administer the provisions of this section no later than two hundred seventy days after the effective date of this section, including rules and regulations relating to the types of equipment covered under this section and rebate amounts for each equipment type, the forms required to claim a rebate, the required documentation and basis for establishing eligibility for a rebate, procedures and guidelines for claiming a rebate, the collection of economic impact data from applicants, and any other requirements the authority deems necessary. The authority shall conduct education and outreach, with informational materials made available in at least English and the three most common non-English languages spoken by individuals with limited-English proficiency in the state of New York, based on United States census data, as necessary to inform potential applicants and manufacturers and retailers of eligible lawn care devices about the electric landscaping equipment rebate program.
- 6. The authority shall determine and publish on its website on an ongoing basis the amount of available funding for rebates remaining in each fiscal year.
- 7. No later than two years after the effective date of this section, and annually thereafter on the first of January, the authority shall issue a report to the temporary president of the senate, the speaker of the assembly, the chair of the senate committee on energy and telecommunications and the chair of the assembly committee on energy detailing the status of the electric landscaping equipment rebate program. Such report shall include:

A. 5681

- 1 (a) the amount of funding dedicated by the authority for the program 2 in the preceding year;
 - (b) the amount of eligible purchases for which a rebate was awarded;
 - (c) the amount and geographic distribution of rebates; and
 - (d) any other information the authority deems necessary.
- 6 § 2. This act shall take effect immediately and shall expire and be 7 deemed repealed January 1, 2035.
